INTRO INTRODUCTION

**Cutting edge imagery,
artwork and creative
direction.**

With a passion for creativity and a keen eye for detail, Koded specialises in a wide range of design services, including digital, print design, logo, brand development, web design, and social media design. Priding ourselves on offering tailored design solutions to businesses of all sizes.

Whether you have a specific project in mind or are just exploring ideas, we would love to hear from you.

Hello, I'm
**MIRANDA
LUDEKENS** ↘

ABOUT ME ▶▶

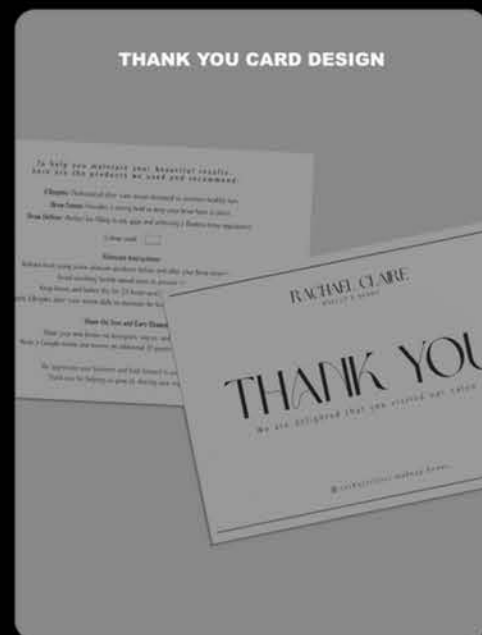

Freelance graphic designer based in Melbourne.

With a passion for creativity and a meticulous approach to detail, I specialise in delivering bespoke design solutions across various platforms. My expertise spans digital and print design, logo creation, brand development, website design, social media assets, and signage. I pride myself on working closely with businesses of all sizes to craft designs that truly resonate with their audience and align with their goals.

My journey as a graphic designer is driven by the joy of transforming ideas into impactful visual experiences. There's nothing more rewarding than seeing my designs come to life, helping brands stand out and achieve success.

Whether you're ready to bring a specific vision to life or are exploring initial ideas, I'm here to collaborate and create something extraordinary. Let's work together to turn your concepts into reality.

Koded SERVICES

▶▶ BRANDING DESIGN

We don't just create static brand guidelines; we design dynamic brand toolkits that empower your team. Built from the ground up using atomic design principles, your brand is equipped to meet today's needs and scale seamlessly for tomorrow. Smart and future-ready.

▶▶ WEBSITE DESIGN

Our website designs allow new clients to easily navigate around the pages, to feel inspired and have trust within the brand. With detailed animations throughout the website to give it an interactive feel, while being visually appealing to look at.

▶▶ SOCIAL MEDIA DESIGN

Social media strategies, content creation (images, videos, graphics, and copy), distribution across social platforms, websites, and email marketing, social advertising, community management, reputation building, and influencer collaborations.

▶▶ WEDDING STATIONERY DESIGN

From envisioning elegant invitation suites to crafting personalised place cards, designing stunning menus and signage, or creating heartfelt ceremony programs and vow books, we handle every detail with care and creativity. Whatever you need to bring your wedding vision to life, we're here to make it happen.
